BC BikeRace

Attention: Dean Payne, President

On behalf of the citizens of Cumberland, it is my pleasure to whole heartedly endorse this exciting event that will come to our community in July. I have no doubt that this will rapidly become a world class race of endurance and beauty. The route from Victoria to Whistler is some of the most spectacular natural beauty in the world, as well as a rugged terrain that will challenge the fittest of your racers.

We welcome your participants and supporters to our Village, the jewel in the wonderful Comox Valley. If there is anything we can do to make the event more pleasurable, please let us know. We appreciate the opportunity to showcase this area to the world and I am confident they will not be disappointed. I know Jeremy Grasby will make our leg of the race a standard setting portion of the event.

Sincerely,

Fred Bates
Mayor
